Foundation Inc.

The Fort Boonesborough Foundation, Inc., a non-profit organization supporting Fort Boonesborough State Park is pleased to offer a tour as we follow "Boone's Trace" into and through Kentucky. We invite you to travel the back roads and retrace the route to Fort Boonesborough with us.

**2016 Dates:  
October 22-23, 2016**

**Overnight Tour**

We will leave the Fort at Fort Boonesborough State Park at 8:30 a.m., for Wilderness Road State Park in Virginia, enjoy our box lunch, and tour the park including Martin Station and a film at the visitor center; then

onto Cumberland Gap National Park visitor center, to view their film and information. Our next stop is Cumberland Gap, taking a short easy walk to the Gap itself; anyone not wishing to take the walk may stay at the bus. We will finish the day at Pine Mountain State Resort Park at approximately 5 p.m. Dinner is in the parks dining room.

**Second day**, after breakfast, the bus will leave at 8:30 a.m. and we will travel north, identifying many areas of the trace, stopping as Flat Lick as an example, enjoying a box lunch and walking a short section of the original trace at Levi Jackson State Park near London; continuing north on the back roads stopping at interesting sites before arriving at the original fort site at Boonesborough State Park in the late afternoon.

**Tour pricing, includes all transportation, 1 night at Pine Mountain State Resort Park, dinner and breakfast from menu (gratuity extra at park) and sack lunches both days. There will be snacks and water**
